BUSINESS SPONSORSHIPS

2026-2027

TEAM FISLER

INVITES YOU to

become a Business Sponsor for the
2026 - 2027 school year.

For many years, Fisler has been fortunate to have local businesses standing behind our school. This year, we want to do more than accept that support – we want to build community with you.

A great school isn't built by students, parents and teachers alone. It grows out of the whole community around it: the families that show up, the teachers who commit, and the local businesses who decide these kids - and this community - are worth investing in. When all of that pulls in the same direction, something shifts. You can feel it. At a packed movie night, at the finish line of the Jog-A-Thon, in a classroom where kids and teachers have the support they need.

So this year we're not only inviting you to sponsor. We're inviting you onto our campus and into that community. We are inviting you to be known by our families, to be a part of our lives, and help build the future of this community in a way that endures beyond the boundaries of the school site and one school year.

We have built several levels of support that you can choose from:

How we will recognize you in our community:

- Visibility and exposure to our community through our digital marquee, banners and live acknowledgements at school events
- Your business featured on Fisler's social media platforms

What your partnership provides:

- Resources in the classroom and support for extracurricular activities:
 - Classroom supplies
 - Classroom software / technology
 - Teacher Innovation Grants
 - Helps cover the cost of field trips
 - PE and playground equipment and enhancements
- Support for educational excellence
 - After-school robotics classes
 - Science Olympiad Team
 - Math Olympiad Team
 - e-Sports team
 - Computer Science curriculum software

All monetary donations, goods and services will be considered as part of your sponsorship. Fisler PTSA and F²AST Foundation are both 501(c)3 non-profit organizations. Because sponsors receive advertising and promotional benefits in return, many businesses deduct sponsorships as an ordinary advertising or marketing expense. We encourage you to consult your tax advisor about how your contribution may be treated.
